Sir:

Pursuant to 37 C.F.R. 1.137(b), applicant hereby petitions to revive the above-identified application.

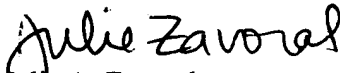

The application was unintentionally abandoned as of the five month date from the final Office action, in that Applicant requested and paid for a two month extension of time but failed to file a sufficient response to the final Office action. Applicant subsequently filed a continuation application, serial number 11/223,763, after the five month date from the final Office action and before the statutory six month date from the final Office action, but inadvertently failed to request an additional extension of time in the present application (serial number 09/995,052) such that it would be pending up to the statutory six month date from the final Office action. Accordingly, in order to achieve co-pendency of the continuation application and the present application, applicant files this petition for revival, along with a petition for extension of time and appropriate fee to extend the period of time for

reply to the six month date after the final Office action.

The entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional.

A check for \$1,500.00 in payment of the petition fee set forth in 37 C.F.R. 1.17(m) is attached. Please charge any additional fees or credit any overpayment to Deposit Account No. 13-3080.

Respectfully submitted,

Julie A. Zavoral
